

ADVISORY COMMITTEE AGENDA

Deerfield Township, Ohio

Route 22 & 3 (Montgomery Road) Corridor Study

August 30, 2023

1. Team Introduction

- Deerfield Staff, Consultants, and Advisory Committee members will briefly introduce themselves, their township/corridor connection, and their reason for joining the team.

2. Background & Planning Process

- Deerfield Staff and Consultants will provide background information about the Corridor Plan, the advisory committee's role, and the planning process, including timeline, deliverables, and engagement plan.

3. Mentimeter Survey

- The advisory committee will participate in an interactive live polling survey covering topics such as corridor priorities, land use, economic development, community facilities and services, and key topics. **The survey will require each person to have an available phone.**

4. Map Exercise

- The advisory committee will break out into groups and work with staff and consultants to annotate maps on various topics such as strengths, weaknesses, opportunities, threats, and special nodes.
